

PART I: The Future Has Started

Fecha @June 28, 2023

LAST WEEK PRACTICE.

The practice of the week was to do the practices or practices that you said, to let God continue pruning your life and to seek holiness as a lifestyle

- Who would like to tell what practice they chose and how they did it?
- What is the most difficult thing about seeking to have holiness as a lifestyle?

SUMMARY.

This Sunday we begin a series in which we are going to go deeper into knowing God, his personality, and his essence. As well as the thoughts and decrees of him that have passed, are happening and are yet to happen.

This series will not only help us grow and mature, but also prepare us for the future and upcoming events. God reveals himself so that his people can know, love, trust, serve, and obey him as Lord. In the past, God spoke to the patriarchs and prophets in many and varied ways, but his full and final word has been given in and through Jesus.

- What did the Holy Spirit speak to you (or got your attention) about Sunday's teaching?

Revelation 22:7

- Why do you think it is so important to know the prophecies about what is about to happen?
- Why do you think it's the misconception that the apocalypse is scary and it's only about bad?
- How does knowing the words of Revelation that say, "behold, I am coming soon" help you?

PRACTICE AS COMMUNITY

- Individually read Revelation 22:1-17
- Then write what "revelation" you had
 - In other words, what revelation or new knowledge did the Holy Spirit show you that you did not have before?
- After you have done this, two people who would like to share what the Holy Spirit showed them

THIS WEEK'S PRACTICE

- This week's practice is to start reading the book of Revelation, one chapter a day, and write what the Holy Spirit shows you.

BEFORE FINISHING

- What do you think is the biggest obstacle to carrying out what you said you are going to do?
- What can you do to make sure that you do what you said you're going to do and that it doesn't just stay as a forgotten idea?
