

PART VIV: The Holy Spirit and Revelations

Fecha @August 23, 2023

LAST WEEK'S PRACTICE. 7:20 PM (10 MINUTOS)

Last week's practice was to go out and be the church that Jesus has called you to be. To practice and carry out what you wrote that you were going to do for the person who had shown you the Holy Spirit

- Who would like to tell about their experience with the practice of the week?
- What could you do so this not a one time thing?

SUMMARY.

The Holy Spirit is the third person of the trinity and has a specific responsibility: and it is to reveal and make known what is secret.

- What did the Holy Spirit speak to you (or got your attention) about Sunday's teaching?

Daniel 2:28,47

- What stands out to you the most in these verses?
- Why do you think that these types of experiences (like Daniel's) are not lived on a more regular basis?

PRACTICE AS A COMMUNITY.

The Holy Spirit is still at work today and has the ability to reveal all sorts of things to us just like he did to Daniel. Regardless of age, or how long you have been coming to church. What makes the difference is whether you believe He still speaks.

Today's practice is going to be extremely simple but it is going to require faith to carry it out.

First

- Write in your own words what it means to you.
 - Could be; a prophetic word for someone, a decision you have to make, a dream you had, something you have to do but don't know how to do it, etc.

Second

- Now take 30 seconds and ask the Holy Spirit to reveal what you wrote and then be silent for a couple of seconds and try to listen to what the Holy Spirit is saying to you
 - It may be that He takes you to a verse, He shows you an image, you feel something, etc.

Third

- Lastly, write down what you think the Holy Spirit told you, showed you, or made you feel. And write down what you think that means.
-

THIS WEEK'S PRACTICE

The practice for the week is to keep asking the Holy Spirit to show you and reveal things in your life. Whether it's a decision you have to make, something to cheer someone up, something you're confused about, etc.

BEFORE FINISHING

- Who would like to say that it was learned during the series of Revelation
