

When The Holy Spirit Moves

Fecha @January 10, 2024

SUMMARY.

In the original, the word used for wind or breath is ruaj. And both the first time it is used in the Bible, in Genesis 1, and when Jesus left the earth, in Acts, it was to bring order. And that's what God wants to do in your life through the Holy Spirit. Bring life and order where there is death and disorder. From the youngest to the oldest, and in each of the areas of your life.

SUNDAY'S TEACHING

- What did the Holy Spirit speak to you (or got your attention) about Sunday's teaching?

Genesis 1:1-2, 31

- What stands out to you most about the contrast, of what was happening in verses 1 and 2, and verse 31?
- Our pastor said on Sunday, "Wherever The Holy Spirit was there was a movement of order, freedom, and life; Where the Holy Spirit is invited, in the face of chaos and disorder, He gives life." **What causes or makes you think of this phrase?**

TODAY'S PRACTICE.

Next Sunday we will be starting a new practice on the importance of training and living intentionally. This Sunday's teaching was an introduction, to open our lives, for the Holy Spirit to bring order and life where there is death and disorder.

So we encourage you to be as honest as possible in this practice, because it will be the basis for what comes in the coming weeks.

First.

- Take a moment to think about what God did through his Holy Spirit at the beginning of creation. The land was formless and empty, and darkness covered the deep waters. And when the Holy Spirit finished his work, God looked at everything he had made, and he saw that it was very good!
 - Imagine what the earth looked like without form, empty, dark, dead, in disorder. How do you think it would have felt to be there, what it would have been like to be in that environment
 - Now imagine what the earth looked like with trees, seas, plants, animals, vegetables, fruits, man and woman, with life. How do you think it would have felt to be there, what it would have been like to be in that environment

Second.

- Now one or two people to share what they think it would have felt like to be at the beginning of creation when everything was dark, lifeless, and in disarray

- Now one or two people who share how they think it would have felt to be at the end of creation when the Garden of Eden was already there, with the animals, and vegetables, and rivers, and the human being

Third.

- Now, be as honest as possible, and take a few minutes to write down what areas of your life feel like the beginning of creation. Dead, dark, formless, empty
 - Some examples may be: your work, marriage, sexuality, finances, school, your phone usage, friendships, conversations with other people, spiritual life, your thoughts, family, spiritual practices, discipling your children and family, etc
 - Write down how you feel in that area, why it is empty, or dark, or in need of life

Fourth.

- Now, write a prayer asking the Holy Spirit to bring order and life to these areas in 2024
 - Write what you would like Him to do in your life, why you need Him to bring order and life

THIS WEEK'S PRACTICE.

This week's practice is to continue praying, every day, asking the Holy Spirit to show you what you should do, and what decisions you should make in 2024. And asking Him to do what only He can do, bring life
