

# PART V: The Present and the Future of Revelation

Fecha @July 26, 2023

## LAST WEEK'S PRACTICE.

Last week's practice was to carry out the plan you made to build a relationship with Jesus.

- How did it go with the plan you made?
- What was the most difficult thing to be able to carry out the plan?
- What could you do or change to make this week a little better?
- Would anyone like to share something about the practice to encourage the group?

## SUMMARY.

God allows us to take the decision of the blessing or the curse through the warnings and promises that he left us. That's why he gave us the gift of choosing between good and bad, but he made clear the consequences of one or the other. The consequences of what we are experiencing are only the product of our actions. And there are three things we can do to see the judgments of the Bible but without feeling distanced from God.

- What did the Holy Spirit speak to you (or got your attention) about Sunday's teaching?

## 2 Timothy 3:14-17

- Why do you think it is important to spend time in God's word on a daily basis?
- What do you think happens to someone who stops reading the word of God for a long time?
- What do you think happens to someone who starts reading the word of God constantly?

## PRACTICE AS A COMMUNITY.

We've been talking about the judgments for five weeks, and this Sunday our pastor talked about three things we can do so we don't feel guilty or far from God when we read them. Examination, contemplation, and meditation. These three can only be achieved through a practice; **spending time with Jesus on a consistent basis**. Today, we are going to continue working on the plan from last week so that by the end of this series **you can have a special plan to build your relationship with Jesus**.

## First

- Rewrite the plan you made last week
  - Time:

- Placer:
- What am I going to do:
- What do I have to do (in order to do the step before):

**Second**

- Now write down 2-3 benefits you experienced when you DID spend that time with Jesus.
  - 1.
  - 2.
  - 3.

**Third**

- Now write down 2 or 3 things that DID NOT HELP YOU carry out the plan.
  - **Ex:** The time that I am going to bed, or the place where I was doing it, or the time that I chose to do it, etc
  - 1.
  - 2.
  - 3.

**Fourth**

- Now write down 2 or 3 things that DID HELP YOU carry out the plan.
  - **Ex:** Knowing exactly what I was going to do, not picking up my cell phone until after finishing, doing it in the morning, etc.
  - 1.
  - 2.
  - 3.

**Fifth**

- Now read the four previous points and fill out your plan again but now making the necessary modifications so that this week goes better for you
  - Time:
  - Placer:
  - What am I going to do:
  - What do I have to do (in order to do the step before):

### **THIS WEEK'S PRACTICE**

Now you have an action plan, even better than last week, to start having an intimate and personal relationship with Jesus. You already know what obstacles you had last week, now you are going with a plan against those obstacles

- This week's practice is to carry out this action plan
- Remember, it's not about perfection, it's about practice

### **Before finishing**

- Two people who want to share "their updated plan" What were your changes compared to last week
