## READ THIS SUMMARY

For a long time, we have heard that following Jesus is about a relationship between us and God; and while that is true, it is incomplete.

Following Jesus is about a relationship with God and with one another. That is why living in community is not an option for the apprentice of Jesus, **it is a lifestyle.**

## PRACTICE THIS WEEK

Remember that you can find this practice in [casaevidencias.com/community](https://casaevidencias.com/community)

This week's practice consists of three parts.

### 1. Honor one another:

- Each person is going to write something about the person is written on the sheet.
- He will write words of affirmations, compliments, honor, affirm, and encourage the other person. Be sure to tell them to put their name at the bottom of the page so they know who wrote it. And then each person is going to go and give it to the person he had.

### 2. Take the Lord's Supper:

### 3. Pray for each other:

- To finish, each person is going to go to the person who wrote them the words of encouragement and ask him for **one thing he can pray for during the week.**
- The practice is that each one will pray for it during the week.
- And, before next Wednesday, he is going to call the person to greet him, pray for that person and encourage him.
